SUBSTANCE YAKIMA VALLEY
SAUVIGNON BLANC

WHERE DOES IT COME FROM?
100% Sauvignon Blanc from Minick Vineyard, Yakima Valley

HOW WAS IT AGED?
75% stainless, 25% neutral French oak fermentation to add richness and lift to the mid palate.

HOW DOES IT TASTE?
This wine starts with your nose deep into a fruit basket, with hints of grapefruit, kiwi, and gooseberries, then morphs to a carnival with bursts of cotton candy. Not to be left out, Felix the Cat makes an appearance again this year. On the palate it coats everything, highlighting citrus and melon. It's so refreshing you'll feel like your mouth just had a cold shower.

WHAT DO I EAT THIS WITH?
If you can eat it in a hot tub, it will go with this wine. And we all know hot tubs in the winter are awesome. Just ask Charlie Sheen. #winning
