**VIOGNIER**  
 \$15.00

**WHERE DOES IT COME FROM?**  
 100% Viognier from Waters' Old Stones estate vineyard in The Rocks in the Walla Walla Valley

**HOW WAS IT AGED?**  
 Barrel fermented in 100% neutral French oak barrels, sur lies.

**HOW DOES IT TASTE?**  
 First we need to talk about the 2008. We are going to let our friend Tiger help:  
*"Many of you in the room are my friends. Many of you in this room know me. Many of you have cheered for me, or worked with me, or supported me, and now, every one of you has good reason to be critical of me. I want to say to each of you, simply, and directly, I am deeply sorry... I am also aware of the pain my behavior has caused to those of you in this room. I have let you down. I have let down my fans. For many of you, especially my friends... (this) has been a personal disappointment."*

Ok, now that we have that out of the way...

Viognier tastes like Fruit Loops. Oranges, lemons, cherries and other natural flavors. Follow your nose. It always knows! Fat and rich with a surprisingly long length. Like Jamie Brown at the Hard Rock, this wine rocks. Redemption is at hand.

**WHAT DO I EAT THIS WITH?**  
 It's part of a balanced breakfast. Now fortified with fiber and heart healthy!  
 Great with heavier seafood, poultry and pig. Fruity sauces.
